 Germany

To the Management and Staff of Beuerberg Golf Club,

Following the publication of the Platinum Clubs of the World, Platinum Clubs of Asia-Pacific and Platinum Clubs of Europe election results at the end of October, successful Platinum Clubs received electronic notification of their election as a Platinum Club 2022-23. The Club Leaders Forum Advisory Board will send Beuerberg Golf Club a formal letter of recognition and congratulations in the coming weeks, accompanied by the official Platinum Clubs of the World, Asia-Pacific and Europe 2022-23 Announcement Booklet. One letter will be addressed to Management and Staff, with a separate letter enclosed directed to Club Leadership.

I want to take this opportunity to personally congratulate you, the management team and staff of Beuerberg Golf Club on your Platinum recognition. One of the Board-approved Seven Selection Criteria—*Exceptional Service Standards*—acknowledges that staff is a private club's number one asset, which could not have been more relevant over the past twenty months!

Around the globe, members of Platinum Clubs have seen the great benefits of their club experience because the staff has been dedicated to providing a safe haven and, in many cases, going beyond the call of duty. Please take a moment to circulate this message to your team as their recognition is one of the benchmarks of Platinum designation for which they should be acknowledged, congratulated and be justly proud.

Sincerely yours,

Dennis W. Burns
 Executive Director
